DISCUSS

What stood out, challenged, or confused you about this week's message?

How would you describe the Holy Spirit?

What are your experiences with the Holy Spirit in your faith journey?

What does it mean to you to hear Jesus say, "As the Father has sent me, I am sending you." Do you feel like you live as if you are sent or commissioned by Jesus? Why or why not?

How can the church become more filled with the spirit? How can you personally become more filled?

Read Ephesians 5:18. What are some things that control and consume you? In other words, what is filling you up on a daily basis?

Read Galatians 5:22-23.

What would you consider to be the opposite of each of the fruits of the spirit?

Which of these do you struggle with most?

What would happen in your family, at your work or in your school if you produced more of the fruit mentioned here?

PRAY

Close with a time of prayer for the faith journeys of the people in your group or family. Write down your prayer requests or ask those with you for prayer needs or concerns. Pray specifically for areas where God is calling you and your group to be obedient to Jesus--to be bold and even extreme --and when you might have the opportunity to share your freedom in Christ with others. Pray for strength to be the church, to be urgent about the kingdom, and to follow Jesus without hesitation. Pray we are more aware of the spiritual warfare of the enemy and able to fight from a place of victory, not fear. Continue to pray for God to reveal to you and your group/family next steps in His Kingdom and how to live in a way that pleases God.
