Study Guide

Jesus is light and life that overcomes darkness. And when he does others will notice. The Magi returned to royalty but the shepherds returned to real life. Before they encountered Jesus they were just "living in the field" but when they returned it was with a great purpose ... and people listened to them. What are you doing with the light God has given you?

- How are our lives similar to that of shepherds? How are we similar to sheep?
- From the sermon: "The most important message ever delivered was delivered TO AND FOR people just like you." What are some ways you share your faith with others?
- What do you think the shepherds had to sacrifice to see Jesus?
- From the sermon: "You will never understand what it is like to follow Christ if you never do anything uncomfortable." Talk about a time you sacrificed to do something God called you to do.
- If asked, could you tell someone the story of how Jesus changed your life? What would you say?

MOVING FORWARD
